

HOW DOES YOUR REPRESENTATIVE OR SENATOR STAND ON THE SUFFRAGE ISSUE?

Does the Constitution of Vermont mean anything to you?

Are you willing that amendments should be adopted that violate its express provisions?

Do you believe that the Fathers of the State knew what they were doing when they provided that the Legislature "shall have no power to add to, alter, abolish or infringe any part of this Constitution?"

Do you propose to turn over to 150 men the right to overthrow what the builders of Vermont set up for the organic law?

If not, find out where candidates stand who seek to represent you in Montpelier next January. Ask them if they will submit all future proposals of amendment to the people, whether they come from Vermont or Washington.

Tell them you want to be consulted about your own business.

It is proposed to ratify an amendment to the Federal Constitution providing for woman suffrage without consulting the people of Vermont.

That amendment strikes squarely at Vermont's right to regulate the suffrage, which is the very source of popular government.

Ask your would-be representative or senator where he stands on woman suffrage.

Ask him where he stands on supporting the Constitution of Vermont.

Ask him whether he will join in a memorial to Congress, demanding for the people the right to vote on all future amendments to the Federal Constitution.

If he doesn't answer to suit you, vote against him. If there is no candidate who suits you, get one to run. If no one else thinks enough of Vermont to defend her Constitution, run yourself.

Don't let a man represent your town or county who isn't pledged on this issue one way or another. Give your representative your personal mandate at the polls.

If women want to vote, let them get the suffrage squarely, fairly and in the orderly process of legislation. We don't believe they want it any other way.

"IT CERTAINLY WAS LUCKY DAY FOR ME"

"Tanlac Has Done So Much For Me I Feel It My Duty To Tell Others About It," He Says.

"Tanlac has done so much for me that I feel it my duty to make a statement so that other suffering people may know about this medicine," said A. R. Mairs, 3 Nickwackett street, Rutland, Vermont. Mr. Mairs has resided in Rutland for about 25 years and is a well known citizen.

"It's been more than a year now," he continued, "that my stomach got all upset and my appetite became so poor that I didn't know what it was to be hungry. Everything I ate disagreed with me and at times even a glass of water would cause me distress. After eating anything I would bloat all up with sour gas, and would suffer from dizzy attacks and shortness of breath.

"My kidneys worried me terribly and I had awful pains in the small of my back. I have suffered from rheumatism the greatest portion of my 70 years and this, together with my other troubles, put me in a terrible weak, run down condition.

"Well, I finally hit upon Tanlac, and it's lucky for me that I did, for it certainly is doing the work for me. My appetite is so big that I eat three good square meals a day now and I never have a sign of indigestion. I'm a strong believer in safety first, so I'm going to take a few more bottles of Tanlac. But even now I don't feel a trace of the rheumatism that I suffered from so long, and I've gained so much strength and am so much better in every way that I just feel fine. Tanlac is undoubtedly the best medicine I ever heard of for troubles like mine, and I'm glad of the opportunity to recommend it to others."

Tanlac is sold in St. Johnsbury at Frank G. Landry's Drug Store, in West Burke by Charles H. Coburn, and in Lyndonville by Edmund's Pharmacy.

Mrs. C. L. Drown, and Warren Drown were in Sherbrooke Monday and left Mrs. Warren Drown resting comfortably after a successful operation for adhesions.

WEST SHORE NOTES

Frank Wheeler is taking a canoe trip down the Lake, camping over night at several places. He will be gone several days.

Mr. and Mrs. Harry George of New York are in camp for the month of August. Mr. George is the transportation agent of the Scotti Grand Opera Co.

Mrs. Henry Bean's four cottages are all occupied for the month of August.

CAMP CLIFF HAVEN

Eleven boys with two counselors, started Monday in two autos for Randolph. From there they will take the trail and climb several mountains of the Presidential Range. They took with them all necessary equipment for camping and will cook their own meats. The trip will take several days.

Several short trips have been taken both by land and water.

The Raining paper was "artificially" good this week; spiced and full of good advice, and tales of the weeks "doings".

Interest in the track meets is growing. Both land and water sports are getting very exciting.

Sherbrooke Beats Barton In Close Game

(Continued from page one)

at bat, one strike out, and first base on an error once.

Two of Barton's scores were earned runs. In the first inning, "Kid" Heath, the first man up, got a free pass to first on four wide ones. He was sacrificed to second by B. Lee after T. Lee had fanned. Then Snyder laid down a pretty single along the third base line and Heath scored. Although Barrows singled and stole second, Leland fled out to Savage.

The other three runs came in the seventh and tied the score. Dubois landed on one of Casper's grovers for three bases, and then Webster hit one straight down the third base line. In attempting to catch Dubois between third and home, the Sherbrooke infield allowed him to go to first but Dubois was adjudged safe back on third by umpire Lillien after a quick slide. Webster then stole second. Beor then hit another down the third base line which Baker juggled long enough for Dubois to score on, but on the same play Webster was run down between second and third. Beor stole second and was sacrificed to third by Heath. The Ted Lee socked a fast one into the

high corn in right field taking two bases and scoring Beor, and he himself scored later when B. Lee hit another two bagger and went third on the throw-in to catch his brother at home. Snyder hit a high fly to center retreating the side.

Sherbrooke's scores contained only one earned run. In the third inning Schneiderhan hit to left, and then went on to third when Snyder threw way over Lee's head on his attempt to steal second. Casper reached first on a fielder's choice while Schneiderhan scored, and after Savage went out, Beor to Leland, and Butler fanned, Giboin brought him in with a long two bag to left. Thormahlen fled out to Dubois. Again in the 7th they made two scores. Molineaux, first up, fled out to B. Lee, but Butler got a scratch single to left.

B. Lee batted Schneiderhan's offering while Baker reached second. Then, after striking out Casper, Beor walked Savage, filling the bases. Butler uncocked a hot single to left, scoring both Baker and Schneiderhan and a moment later he stole second. Giboin fled out to Dubois, retreating the side. In the 8th and 9th they also scored. Thormahlen led off in the 8th, and got a clean hit over second base. Bridges sacrificed him to second, and after Molineaux had waited a high one to Heath, Baker got a second hit scoring the Swede. Schneiderhan lifted another easy fly to Dubois. Casper, the lead man in the ninth got a hit, went second on a wild pitch, went to third on Butler's single, and scored on a passed ball. Beor fanned Savage, Giboin, and Thormahlen.

Deciding Contest of
Sunset League Thursday

deciding contest, the North Side and South Side teams of the Sunset League will play off the tie in which they are now held and will make certain for all time which is the best and most skillful nine. Every detail will be arranged to have this contest run in the customary professional style which has characterized their former contests. The same pitchers have been retained by both clubs. In fact there will be little change in the line up of this deciding game of the Newport series.

Capt. McCauley stated yesterday that Fairbrother would pitch for his South Side nine.

But Capt. McCartin of the North

Side reposes no less confidence in his premier twirler, Searies, whose roundhouse out is always good for one strike.
